Chas Bowman, Sid Mullen and A Wentworth are over from the county

I. N Mitchell of Austle. Texas is Bistee visitor. He is here on mining bueines.

Lem Overleck le't teday for Phenix A Wentworth, envelopes and to make purchases of beef for the Bis-

bee market. Valuer Fife who is among the an-

nounced for the Assessorship, is visiting Bistee circulating among friends. Miss Lens R-inhold was a Bisbee arr val today and will remain here on

vien with ber eister Mrs E N Huil. C W Burton, a prominent mer chant of Fort Madison, Iowa, is a Bisbee visitor the guest of his brother-in law, S Cam bell. Mr Burton will

remain here a fortnight and continue

on to California to vient other rela

Gry Murphy is billed to speak in B ebee au Oot 10th. Other prominent republicen speakers will also be in attendance and a mass meeting is called for that date, A good attendance is a sured the governor.

The collections for the Galveston fund as repo ted yesterday amount to \$233.50 thusfar. The grand ball to be given on the 19th will bring up thamount considerable and more dons tions are coming in.

The weather remains very pleasant. OFFICIAL PROCEEDINGS

visurs. Cochise County

Tomestone, October 2nd, 1900 Board met pursuant to adjournment of meeting October, 2.t 1900 at 10 a. m.

Members present - M. C. Benton, chairman and Supervisors John Montgomery and Thomas All-ire.

Minutes of meeting October 1st. 1900, read and approved. In the matter of the Joiner child

ren of Willcox, the Board instructed the Clerk to send the following communication to O V Rice, Supt. Childeas Home, Los Angeles, Cal. In the matter of various communications from the Childrens Home

Society of Los Angeles, Cal. Requesting recunary aid for finding homes for the three minor children county. It is found that the Joiner family had been temporarily assisted by the county during an illness of the nother, but that the necessity for such assistance having ceased several months before the children were taken by above named so ciety, it is ten. therefore held that the county is neither morally or legally justified in

granting the compensation requested. Treasurer instructed to cancel assessment of property to Mrs. Rossars. it being a double assessment.

At 12 m board stands at recess to 2 nm.

Three drummers arrived today, The knights of the grip always find Tombstone worth visiting and manage to do a good business.

The Ray mine, thirty miles from Florence, is a success, declares the Tribune. The mill is running day and night and treat ng 200 tone of ore.

The rolls of the Young Men's Democratic Club of Maricopa county shows 475 names, of these 450 are active members in good standing. 125 have joined the club in the last fifteen days, and are adding names every day.

It is reported that work on the Silver Bill group of mines at Turquoi-, known as the Severance properties, will begin shortly and also that the mill at Soldier Holes will be operated in conjunction. These mines and mill was recently transferred to the Eastern and Montana Development Co and it is understood they will begin operations in the very near tuture. These mines have proven rich producers and it is asserted that enough ore is in eight to keep the mill running for considerable time. The property is regarded as a valuable one and the resumption of work will mean another producer in this county.

HOW WE USE UP OUR FORESTS.

It is estimated that it takes twentytwo acres of spruce land to furnish oates he may, then I will draw lets or enough wood pulp paper to run a large metropolitan daily just two days. The writer who makes this statement de-The second outfit will start at Husplaces the time when, at this rat-, our
chuca Siding on October 5th, and forests will entirely disappear, and paper be very scarce and expensive. Meantime, the art of printing continues, because there are many troths the world should know; a nong others, that Hos-tetter's Stomach Bitters is a cure for diseases of the stomach, such as dyspepsta, indigestion, constipation, biliousness, insomnia and nervousness. This famous medicine has been the standard remedy of the American people for fifty years Do not accept a substitute. The genuine has a Private Revenue Stamp over the neck of

The Emperor of Japan has sert wine and eigerettes to his troops in China. This may be the reason why the Chinese hold out, hoping to win.

A stranger in Chicago lost a pocketbdok containing \$4,000 and got it back. Here is where both campaign committees have their national headquarters, too!

London figures the cost of the Boe war at \$500,000,000. Liberals will objet to the bill and say the war was unnecessary, but the bill will have to be paid, nevertheless.

George Dewey, son of Admiral Dewey is a commercial tourist, more familiarly known as a drummer, and he is going to stump the state of New York for W J Bryan. Young Dewey has always been a Republican.

The Territorial R-publicans will have opened the campaign in Cochise county before the meeting of the local conventions. On the supposition of Cochise county is a visitor from that the early bird gets the worm, Gov Murphy is apparently losing to time to get here early enough.

> The greatest labor demonstration in the bistory of the world should occur on the sixth of next month, when all workingmen should cast their votes for Bryan and emancipation from the greed of trusts.

As appears in this issue Col Wilson has come forward with an open letter to agree on some plan to save the Democracy from the double headed breach. Both Mark Smith and Col. Wilson are honorable men and both fully believe they are right. To back insist they are right. There is everything to lose by stubborness and some plan to effect a compromise is admits in Tombstone on mining business. tedly the best. The way is now made Mr R chards is interested in mines in open by Col Wilson and it is up to

AN OPEN LETTER

Cot Wilson Suggests a Good Plau to Mark Smith

The PROSPECT R has received the following "open letter" for publication. We are of the opinion that a choice of several fair propositions are offered by Col Wilson and hope to see "Our Mark" agree to some plan on this basis to bring about harmony in

the Democratic ranks :-PRESCOTT, ARIZONA, Oct. 3rd 1930. Hon Mark A. Smith, Phoenix Ariplan for conference for the settlement of our deplorable party division seems to have failed, the gravity of the eitustion and the interest and general good of the Democratic party compel me to address you, proposing these terms of a ttlement of this unfortun-

ate dispute. i. I propose and hereby agree to submit this matter to the Territorial Secretary, to whom it must finally go, to decide which of us is the regular nominee of the Democratic party, and which irregular, and if his decision shall be in your favor I shall at once withdraw and take the field for you,

and vice versa. 2. If he should decide that we are both nominees and both should go on the ticket, as the Colorado care indi-"dip the coin" with you as to which shall withdraw and take the field for the other.

3, If to neither of these you agree, then I propose that you and I both quit the field and allow the two Committees to immediately assemble and select a can lidate for the party, one who has not been actively engaged in this dispute, and you and I go sotive . ly in the field for his election.

I hope for an immediate regly. Very respectfully,

J. F. WILSON,
